Dear Valued Biolog Customer,

We are excited to share important news regarding Biolog Lab Services - we are relocating to a new, state-of-the-art facility!

Effective November 1st, 2023: Biolog Lab Services will operate from our new location:

225 Corporate Blvd, Suite E&F
Newark, DE 19702

Please keep sending samples to our current Sandy Drive address until the end of October. Starting **November 1st, 2023**, please use the new laboratory address listed above to prevent processing delays. Kindly update your records to ensure a seamless transition.

The move allows us to expand our service offerings and increase our testing capacity in a more spacious and modern laboratory environment. All existing quality certifications remain in place. We have meticulously planned this transition to minimize customer disruptions and ensure our services are uninterrupted.

Our commitment to exceptional service remains unwavering, and we are confident that this move will enable us to serve your needs better. If you have any questions about this relocation, please do not hesitate to contact our technical support team at Biologlabservices@biolog.com or 302-737-4297.

We value your continued partnership with Biolog Lab Services and look forward to serving you from our new facility. Thank you for your trust in our services.

Warm regards,
