

Anaerobe Systems
THE OXYGEN-FREE SPECIALISTS
A BIOLOG BRAND

Declaration of Conformity

Date of Issue: January 15, 2026

Manufacturer:

Anaerobe Systems
15906 Concord Circle
Morgan Hill, CA 95037 USA
408-782-7557

Product: Anaerobic Chamber Model Number: AS-500
Product Type: Controlled Atmosphere Laboratory Chamber
Classification: Laboratory Equipment – Non-Medical

The intended use of the AS-500 Anaerobic Chamber is a laboratory equipment system that maintains a low to no oxygen environment for the setup, incubation, and identification of anaerobic bacteria in samples and specimens.

We, as the manufacturer of the device, take sole responsibility for and hereby declare the above-mentioned product meets the harmonized standards and regulations listed below:

EN ISO 13485:2016 Certification RN: SX2233872-1 TUV Rheinland Exp.2027-07-11
Low Voltage Directive (2014/35/EC)
EMC Directive (2014/30/EU)
RoHS Directive 2011/65/EU (as amended)
EN 61010-1:2010/A1:2019
BS EN 61010-1:2010/A1:2019
EN 61010-2-010:2020
BS EN 61010-2-010:2020
CAN/CSA-C22.2 No. 61010-1-12
CAN/CSA-C22.2 No. 61010-2-010:19

Technical documentation is maintained and available upon request. This declaration becomes void if the product is modified without manufacturer approval.
